

Digital Camouflage™ & Seealizi™

DIGITAL CAMOUFLAGE™ - Whether the green of the forest or the sands of the desert, your message won't be hidden with our Digital Camouflage pencil!

SEEALIZ™ - Pencil leads are a great misnomer. Pencil leads do not contain lead. So if one is concerned about lead in a pencil, not to worry. And if one truly desires a pencil with no lead or lead, then one needs our SEEALIZ. This pencil series contains no lead. Or lead. A perfect item for elected officials to prevent them from writing ridiculous laws. Want no lead in your pencil? Use SEEALIZ.
