

Continental Collection™ & Crestwood™

Use your smartphone QR Reader to link directly to our Pencil Collection on our website.

Our Pencil Collection

These striking graphite core pencils are produced using a distinctive process that dyes the wood. When the **CONTINENTAL™** pencil is sharpened, the exposed taper is the same color as the outer casing. They make a statement before the writer does.

Our **CRESTWOOD™** pencil contains a premium art quality drawing core encased in a wood barrel, finished in white or pearl white and topped with a brown banded brass-colored ferrule and red eraser.

Continental Collection colors

Black CC30

Teal CC52T
